OMEGA-369 ESSENTIAL FATTY ACIDS (EFAs): OmegaSat

Omega-369 EFAs is an indigenous formulation of Essential Fused Oils namely Flaxseed Oil, Sesame Seed Oil, Black-Seed Oil, Almond & Walnut Oil using Innovative Vacuum-Pressed Technology offering an Ideal Ratio of Omega-369 EFAs for Optimal Health.

Omega-369 EFAs cannot be manufactured by the body hence must be consumed either as Food or Supplement.

American Heart Association recommends Omega-369 EFAs Supplements to all Adults (Above 40 years) for the prevention of Heart Diseases.

The Ideal Ratio of Omega-3 to Omega-6 is 1:5; but in today's scenario one consumes almost 15-20 times of Omega-6 than Omega-3 due to Processed Foods & higher intake of refined oils.

Eating Omega-3 EFAs in the wrong proportion may actually negate the health benefits. Omega-3 EFAs present in each & every cell of the body are required to nourish the Cell-Membranes & essential for various metabolic functions.

Hence Omega-3 EFAs can be used in various conditions right from head to toe including Heart, Brain, Skin, Joints & others (various benefits are listed in the Literature).

Omega-3 EFAs promote Holistic Health & Boosts Immune System.

NOTE:

We can conduct Clinical Trials for any condition as per our Requirement for any Lifestyle Diseases like Cholesterol levels or Heart Function.

OMEGASAT give a nourishment of fatty acid supplement with regulate to fatty acid metabolism there for this is the only first formulation in whole world.
